To the 8th Section [OTDEL].

HARE [ZAYATs][1] [D% communicates] [1 group unrecovered] the BANK[11] a telegram from BARI of [D% 25] September, in which is discussed the introduction by TITO of strict regulations [about][b] the movements and activity of the military missions of the COUNTRY [STRANA][111] and the ISLAND [OSTROV][1v]. In the telegram it is communicated that the ISLAND has replied by the termination of supplies to the partisans and the evacuation of the wounded. The probable cause of the introduction of strict measures [C% this year he considers to be the intention] of TITO to conceal from the missions the existing control over the country that he exercises.

RADIO ANNOUNCER [DIKTOR][v] has appointed KOCH [KOKh][v1] chief of the Japanese section [OTDELENIE] of the secret department [OTDEL] of the COMPETITION [KONKURENTsiYa][v11].

KOCH advises that his section has men in CHINA working [with][b] a little group of Japanese FELLOWCOUNTRYMEN [ZEMLYaKI][v111] in FELLOWCOUNTRYMAN [ZEMLYaKICHESKIJ] territory on the problem of despatching people to JAPAN. The plan consists in the use of Korean FELLOWCOUNTRYMEN and of the situation that JAPAN is importing Korean manpower. Details are being ascertained.

According to a communication of KOCH the IZBA is very much concerned about the fate of its people in territories occupied by the Red Army particularly in Germany where the concentration of the IZBA's people is higher than [in] [b] other countries. The IZBA fears that its people will be [C% shot] and [5 groups unrecovered] in [2 groups unrecovered] requirement of regulating the question with the Russians.
